RLTSC NEWS

We have delayed the newsletter this week as we had a break in at the Club on Wednesday evening. Fortunately, there was limited damage to the Club in that only the Cash Till was removed. This explains why the Bar shutters are closed as the keys were in the Till. This act of vandalism should remind members of being vigilant at all times and not assume that everyone gaining entry is a member. If anyone has any doubts, please can they bring it to the attention of the Office or the Coaches. For the record there was no forced entry on the external doors and no card usage shown. The Alarm was activated, and we are now reviewing the Clubs security as our immediate response. The Club is fully insured, and Police are now involved.

This issue does demonstrate that we completely rely on Members to report anything of concern to the Office or Coaches that can involve security, or maintenance or on any Club issues. The Trustees will ensure all matters raised are fully discussed and action taken if required. We are a Club run by volunteers with the help of a part time office so everyone has a responsibility as a Member to the Club to ensure it is a great place to play Sports and meet likeminded friends.

Finally, one of the issues brought to our attention is the Showers so we have acted upon your comments and have asked for more attention to be paid to the men's changing room and showers. We have agreed that the Showers will receive a deeper clean on alternate days and we have instructed that the main Cleaning priorities will be Squash Courts, Changing Rooms/Showers and Kitchen. Lastly, we will have a Cleaning check list to be provided.

You have spoken we have acted!!
